

CURRICULUM VITAE

Name: Jesús Ricardo Piqueras Blasco

Date of birth: 18th March 1961

Department of Mathematics and Science Education

Stockholm University, SE-106 91 Stockholm, SWEDEN

E-mail: jesus.piqueras@mnd.su.se **Phone:** +46 8 1207 6634

Higher education degrees

2001. Master of Education for the Upper Secondary School. Biology and General Science. Stockholm Institute of Education.

1985. Master of Science in Biology. Universidad de Barcelona (Spain).

Doctoral degree

1999. Ph.D. in Plant Ecology. Department of Botany. Stockholm University. Thesis title: Herbivory, pathogens and population dynamics in the pseudoannual plant *Trientalis europaea*.

Postdoctoral work

2000. Post-doctoral research. Institute of Ecology. Universidad Nacional Autónoma de México (México D. F., México).

Current position

2006- Senior Lecturer in Science Education at the Department of Mathematics and Science Education. Stockholm University. Current position since 1st January 2006, formerly at Stockholm Institute of Education.

Previous positions

2004-2006. Guest Lecturer in Science Education. Department of Curriculum Studies and Communication. Stockholm Institute of Education.

2002-2004. Education Officer. Department of Education of the City of Stockholm.

1999-2002. Subject teacher. Biology and General Science. Blackeberg gymnasium (Upper Secondary School in Stockholm). Lectureship from 2001.

1995-1999. Doctoral position. Department of Botany, Stockholm University.

1989-1995. Doctoral studies. Department of Botany, Stockholm University.

1986-1988. Special Educator. Department of Justice. Government of Catalonia. Spain

Research projects

2000. Project leader: *Population dynamics of understory plants in tropical rain forest*. Post-doctoral project at the Institute of Ecology. Universidad Nacional Autónoma de México (México D. F., México). Financed by Swedish Institute and Instituto Mexicano de Cooperación Internacional (Government of México).

2010-2011. Project leader: *Youths' encounter with the Human Journey*. In collaboration with the Swedish Museum of Natural History. Financed by the Swedish Arts Council.

2010-2013. Partner of the project: *Supporting teachers' agency and learning in teaching secondary school science*, directed by Prof. Per-Olof Wickman (Stockholm University). Financed by the Swedish Research Council.

Research grants

1996-1997. Swedish Academy of Science and Czech Academy of Science grant for research exchange.

2000. Post-doctoral grants from the Swedish Institute and Instituto Mexicano de Cooperación International (Government of México).

2010. Museum research grant from the Swedish Arts Council.

Supervision at research level

2013- Main supervisor for Malin Lavett Lagerström, licentiate student, Stockholm University.

Affiliations

European Science Education Research Association (ESERA).

National Association for Research in Science Education (NARST).

Review assignments

Science Education, Enseñanza de las Ciencias, Utbildning & Lärande, Journal of Ecology, Plant Ecology, Ecología Austral.

Administration and commissions

2006- External expert in evaluation of science centers for The Swedish National Agency for Education.

2008- International Departmental Coordinator. Department of Mathematics and Science Education. Stockholm University.

2012. External expert for the project *Naturvetenskap och teknik för alla* (NTA, Swedish Academy of Science).

2012-2013. External evaluator of research projects for Agència de Gestió d'Ajuts Universitaris i de Recerca (Catalonia, Spain).

2013- Member of Scientific Board at the House of Science (Stockholm University and Royal Institute of Technology).

Languages

Spanish (native), Swedish (excellent), English (excellent) and Catalan (good).
